From hentai masters Shiyuuta Biwajima and Chikara Niki (SEX WARD / SLAVES TO PASSION / DEBTS OF DESIRE) comes the next installment of the sultry and sweet Vanilla Series! Full of busty nurses and deranged doctors, Hardcore Hospital gives a whole new meaning to the term "intensive care"...

At Date General Hospital, the nurses don't just make you feel better – they make you feel pleasure beyond anything you've ever imagined. Dr. Date, the hospital's director, is personally in charge of this hand-picked team of "special nurses", whom he trains in every seductive and sexual "therapy" technique: Saeko is the vivacious veteran...Minako is the hot and busty new recruit...and Sayaka is the sweet and innocent virgin. Combined with his homemade stamina drugs, these ladies can keep going, and going...

But sometimes his nurses are reluctant to delve into the murkier side of the profession. That's when Dr. Date has to take control... and his hardcore techniques will ensure that they're ready and willing to explore every part of a patient's body!
